Congratulations to Shen Yun Performing Arts for the 10th anniversary of your world tour, coming to Northern California. It is inspiring that the art of classical Chinese dance presents a message of hope, integrity and morality. It is especially meaningful for Shen Yun to perform in our very diverse community. Your audiences will be positively affected through the universal language of music and dance that bring joy to our hearts.

Drawing on the time-honored traditions of ancient culture in China, Shen Yun brings stories and legends to life that emphasize honor and loyalty.

Shen Yun is an international phenomenon that brings the wonders of ancient China to life. Thank you for providing a sense of wonder and energy to our communities with your spectacular performances.

Best regards,
